SECOND: Participation Disclosures and Waivers

Participant and Potomac District AIM (hereinafter referred to as "PYM AIM") understand and agree that there are a number of various programs undertaken in affiliation with PYM AIM involving activities and individuals that are often not under direct control or supervision of PYM AIM, and that there is an overriding policy that each participant involved in these programs does so at their own risk of personal injury or damage to property; and, Participant desires to take part in the activity mentioned herein above, and fully understands and agrees that such activity might involve sports activities, travel or contacts with other individuals or groups, and that PYM AIM has limited or no control over other individuals involved in such activity; and that there is always the risk of physical injury, illness, and other loss, and possible costs or expenses for medical or dental diagnostic and curative treatments, and general and special damages for incidental loss or expense; and, in these premises, Participant does for himself/herself, and for and on behalf of said Participant and his or her family, representatives and heirs, assume the risk of responsibility or sort of loss or injury of or to person or property of any description in the regard, and in an inducement to PYM AIM and its agents to allow the undersigned and Participant to participate in such activity, does hereby agree to hold harmless PYM AIM and its agents from all these things in event any such claim should arise. PYM AIM does not act as an insurer, guardian, guarantor or warrantor of health or safety of anyone involved in such activity.

THIRD: Disclosure of Special Medical or Other Requirements

The undersigned further represents that the Participant suffers from no disability or disease, and has no special requirements for care, supervision or medication, other than those listed on the Consent for Medical Treatment Form.

FOURTH: Medical Authorization

In the event it should become necessary, whether in emergency or otherwise, where the said Participant cannot act for himself or herself, consent is hereby given for PYM AIM through its adult individuals serving as its agents to arrange for and consent to x-ray examinations, anesthesia, dental, medical or surgical diagnosis and/or treatment and hospital care, for said Participant, on behalf of Participant; and, in such event, Participant agrees to assume and pay all costs, charges, fees and expenses incurred in the premises, and to hold harmless PYM AIM there from. Participant represents and agrees that he or she already has or will provide insurance coverage or payment of such things, at Participant's own expense.

FIFTH: Discipline

Participant for himself/herself hereby submits to and agrees to abide by all rules and regulations, supervision and discipline set and applied by PYM AIM or its agents, and it is agreed that for violation of such rules and regulations, supervision or discipline, the participation in the said activity may then be immediately terminated, without liability on PYM AIM or it's agents. In the event that participant has violated any rules, regulations, or supervision, participant may be sent home. In this case participant and/or legal guardian are responsible for paying any additional expenses incurred.

AIM Financial and Conduct Commitment::

Failure to meet these deadlines may result in forfeiture of trip and funds and/or additional charges for travel fines, airfare or housing reservations. Trip charges are based on Fall 2009 prices and are subject to change.

Refunds: Due to IRS stipulations, application fees and contributions are **not refundable**. If you cancel your trip or are not accepted for any reason your AIM contribution will not be refunded. If you cancel after airline tickets have been purchased you are responsible to cover their cost.

Tax Deduction: The AIMER should ask all donors who contribute to their trip to **make checks out to the AIMERs local church** (because the IRS stipulates that to receive a tax deduction, the donor must release control of the money donated to the nonprofit organization, i.e. the AIM local church.) The church will provide the donor with a tax deductible receipt. The AIMER's church should then make out a check to "PYM" for the designated trip and the church will receive "World Ministries Giving Credit" for that contribution.

AIM Guidelines: AIM regulates conduct, dress and Christian lifestyle. These are explained in the manual sent to accepted applicants. Team members, leaders and staff adhere strictly to these policies and are subject to dismissal for disobedience, without refund or reimbursement.
